

LIFE QUESTIONS

T-24.VI.4. Forget not that the healing of God's Son is all the world is for.

~ A Course in Miracles

You are *Spirit* having a human experience. Your sacred human assignment is to learn your Soul's Lessons, heal, "evolve," honor and bless your brother's Soul's human experience, *contribute*, help spiritualize the planet, and *remember* your *Spirit* "Self."

Soul Questions:

What guidance did my Soul Whisper that I ignored?

What are my Soul's Lessons?

What am I here to heal?

What have I been "called" to contribute?

What have I been "called" to do to help spiritualize the planet?

What activities and experiences nourish my Soul?

The answers to these questions will deepen and enrich your human life experience. The answers, in part "is" the human life experience—or at least the part that has meaning and purpose. Approach your Soul's history with reverence and gratitude for what it has taught you.

T-11.II.6. You will never rest until you know your function and fulfill it, for only in this can your will and your Father's be wholly joined.

~ A Course in Miracles

We will not let the beliefs of the world tell us that what God would have us do is impossible. Instead, we will try to recognize that only what God would have us do is possible.

~ A Course in Miracles, Lesson 71
